

BUILD THE GALAXY

Get to know the characters in the *Star Wars* galaxy. This game lets everyone in the family follow along with the movie and keep track of who's who.

WHAT YOU'LL NEED:

- › The "Build the Galaxy" Board
- › A marker pen

STEP 1:

Print the "Build the Galaxy" board on an 8 ½" x 11 piece of paper.

STEP 2:

As you watch the movies, find the characters on the "Build the Galaxy" board.

STEP 3:

Each picture has a green space and a red space. After each character is introduced, mark whether that character is good (green) or evil (red). Careful, you may have to change your mind in the next movie.
